

MISSION STATEMENT

TIS (NGA) Limited are a multi-discipline services company providing Scaffolding, Rope Access, Insulation, Coatings and Painting, NDT, Industrial Cleaning, and Confined Space Rescue Services. We support clients across a range of sectors, delivering safe, reliable, and high-quality solutions in both onshore and offshore environments.

Our business is built on recognised standards. We are accredited to ISO 9001, ISO 14001, and ISO 45001, which guide how we manage quality, environmental responsibility, and the health and safety of our workforce and those affected by our activities.

Our Mission

Our mission is to deliver safe, efficient, and dependable services that meet our clients' requirements every time. We are committed to completing all work to a high standard, protecting our people and the environment, and building long-term relationships based on trust and performance.

Our Vision

Our vision is to grow as a trusted service provider by maintaining high standards, developing our workforce, and continually improving our operations across all areas of the business.

Our Approach

We deliver our services using competent personnel, robust management systems, and careful planning. We work closely with our clients to ensure that all projects are completed safely, efficiently, and in line with agreed requirements.

Our Stakeholders

We value our employees, clients, suppliers, and the communities in which we operate. We aim to work responsibly with all stakeholders, ensuring safety, fairness, and clear communication in everything we do.

Our ESG Commitment

We are committed to managing our environmental, social, and governance responsibilities in a practical and responsible way.

- **Environmental:** We aim to reduce waste, use resources efficiently, and minimise our environmental impact through our ISO 14001 management system.
- **Social:** We prioritise the health, safety, and wellbeing of our workforce, provide training and development, and promote a fair and respectful working environment.
- **Governance:** We operate with clear policies, ethical standards, and effective risk management, supported by our ISO-certified management systems.
- We will continue to develop our ESG approach by setting achievable objectives, monitoring performance, and making improvements where required.
